SPECIAL MEETING

Council President C. Harold Mumma called the special meeting (via the Zoom computer platform) of the Waynesboro Borough Council to order at 10:16 a.m. with the following in attendance:

Borough Council Members – C. Harold Mumma, Dade Royer, Jon Fleagle and Patrick Fleagle (Jarred Knott and Michael Cermak were absent)

Borough Staff – Jason Stains, Borough Manager
Kevin Grubbs, Head of Engineering Services
Justin George, Borough Solicitor (Salzmann Hughes, PC)

PURCHASE OF LED COBRA HEAD STREET LIGHTS: Councilman J. Fleagle stated that Kevin Grubbs has been working with the engineers and has obtained the necessary approvals from PENNDOT to install two (2) LED lights at the intersection of Main and Grant Streets (where there are already overhead lights). These will be evaluated to ensure they are the type we want to proceed with for the remainder of the project. The cost for both, including installation, will be less than \$2,000.

Councilman J. Fleagle made a motion for approval. Councilman P. Fleagle seconded. A roll call vote was as follows: A roll call vote was as follows: Jon Fleagle – yes, Pat Fleagle – yes, Dade Royer – yes and C. Harold Mumma – yes. The motion passed unanimously (4-0).

Discussion ensued regarding feedback received on the lights being demonstrated at Mulberry Street. Councilman J. Fleagle noted that light measurements have been taken, and everyone (Council, staff and members of the public) seems to be in agreement that they have made a drastic improvement. These lights are on order and should arrive (hopefully) by the end of March; they will then be installed as soon as possible.

Having no further business to discuss, the meeting adjourned at 10:21 a.m. on a P. Fleagle/J. Fleagle motion which passed unanimously.

Respectfully Submitted,

Melinda S. Knott
Borough Secretary
