PUBLIC HEARING

The public hearing was called to order at 4:00 p.m.

Borough Manager Jason Stains noted the purpose of the public hearing was to present and discuss proposed modifications to the Borough's FFY 2018 Community Development Block Grant (CDBG) Program Year which are needed to provide funding for additional street improvements to other portions of W. Third Street.

Proposed modifications are as follows:

- The work on W. Third Street from S. Church Street to S. Potomac Street is completed, and there is a balance of \$1,747.18 to be reallocated.
- Delete the ADA Improvements to the Borough Building -- these improvements will be undertaken at a later date since further study is needed.
- Delete the General Administration line item -- there are sufficient General Administration line item funds in other program years.
- Budget funds for the street improvements to W. Third Street from Fairview Avenue to S. Price Avenue -- work to be bid with the FFY 2019 funds.
- Budget funds for the street improvements to W. Third Street from Cleveland Avenue to Fairview Avenue -- work to be bid with the FFY 2020 funds.

There were no members of the public in attendance, and the hearing was closed at 4:15 p.m.

Respectfully Submitted,

Jason Stains  
Borough Manager
